Dear Sir/Madame:

Education is getting more expensive every year whether it is in a public or private environment. Schools have to approach education like a business. Although tuition covers daily operating expenses, we have established supplemental methods to meet the additional needs of our students and teachers. Most likely there was a teacher who made a difference in your life. The teachers at TSA do. I am writing on behalf of Thomas Sumter Academy, an independent school for students in Pre-first 3s through twelfth grades located near Sumter, SC and Pre-first 3s through fifth grades located in East Columbia, SC. This year we will be hosting our third annual golf tournament to be held on Monday, November 2, 2020, with proceeds from this tournament will be earmarked for school improvements and classroom supplies that tuition does not cover.

We need businesses such as yours to help make this golf tournament a success. Your business will be promoted throughout the tournament and to our families, friends, and alumni of TSA. The support of establishments such as yours enables us to raise the quality of education for our students. Our goal this year is to raise \$32,000 for TSA. We hope we can count on you.

Your business may choose to donate an item or items to serve as prizes offered during our tournament. There is no donation too big or small. All items donated will be promoted at the tournament.

Sponsoring this event is also a welcomed option and great way to advertise your business or support of TSA. We will have Title, Gold, Silver, Hole and Cart Sponsors for this tournament. For more information on becoming a sponsor, please see attached.

All contributions are tax deductible. The Tax ID Number for Thomas Sumter is 57-0447528. Please feel free to contact me at (803) 499-3378 or through email at eddy.hyder@thomassumter.org. We look forward to hearing from you. Thank you for your time and consideration.
